TERMS OF SALE

PLEASE READ CAREFULLY BEFORE ORDERING

(This cancels all Previous Catalogs and Quotations)

QUOTATIONS. All prices quoted in this catalog are for **ROOTED CUTTINGS** on both Carnation and Chrysanthemum plants and are all F.O.B. San Gabriel, California. Remittance must accompany all mail orders with adequate postage included. No C.O.D. order is accepted. 4% sales tax must be added to all shipments made within the State of California.

MINIMUM ORDER. Three dollars plus postage.

LARGE ORDERS PREPAID. Postage on all **RETAIL** orders \$25.00 and above will be prepaid by us—via Air parcel beyond the 4th zone and parcel post to zones 1, 2, and 3. (In the United States only.)

ESTABLISHED PLANTS IN PLANT BAND. Only those calling for plants at our gardens will be given plants in plant band. All shipment of Chrysanthemums and Carnations will be made in rooted cuttings.

ACKNOWLEDGMENT OF ORDERS. Unless we are able to fill orders immediately, we send acknowledgments within a few days after receipt of order. If you do not hear from us within a reasonable time, please write us.

TIME OF SHIPMENT. We fill orders for Chrysanthemums from about **MARCH 15** through May, June, and July. **CARNATIONS** are shipped between February and September.

HOW ORDERS ARE FILLED. All orders will receive our careful attention. Although we always endeavor to fill the orders on or at least near the date requested on the "Order Sheet," we appreciate early orders. In general, we follow the rotation procedure.

SUBSTITUTIONS. In case stock of certain varieties is exhausted, we will substitute with correctly labeled plants of similar type, color, and blooming date as good or better without additional cost unless the order is marked "NO SUBSTITUTION."

SHIPPING INFORMATION. Shipping instructions should be indicated on all orders. Orders are shipped via Parcel Post or Air Parcel Post. Our experience of past seasons clearly indicate that **AIR PARCEL POST** is the best medium of carrier, especially to destinations beyond the Postal zone Number 4. Parcels shipped to non-airport cities will be forwarded by surface transportation from the nearest airport city.

POSTAGE CHARGE ADJUSTMENT. Adjustment of overpayment of Air Parcel Post charges will be made in plants at time of shipment.

SPECIAL DELIVERY. We stress use of **SPECIAL DELIVERY** wherever this service is available which expedites delivery. The rate is 35c up to 2 lbs., 45c from 2 to 10 lbs., and 60c over 10 lbs. Please note that this service includes "Special Handling."

SHIPPING NOTICE. Unless we can ship within two or three days of receipt of order, a separate shipping notice is sent on the date the order is filled. Air Parcel Post shipment notices are sent by Air Mail.

ADJUSTMENTS. All plants are carefully labeled and securely packed before leaving our Nursery. If found unsatisfactory upon arrival, please notify us immediately. No adjustment will be made after 15 days of arrival. Sufficient **POSTAGE** either Air Mail or parcel post must accompany all requests for replacement.

All refunds for postage adjustment or for plants which we are unable to supply will be made after July.

We exercise utmost care in keeping our plants true to name, but will not be responsible for failure beyond our control. Our liability, in all cases, is limited to the purchase price of the plants. All orders are accepted on the above terms and not subject to return.

**POSTAL INFORMATION

CHRYSANTHEMUM SUGGESTIONS

Disbud Exhibition and Spidery Types

SOIL PREPARATION. Chrysanthemums do best in a rich deeply cultivated soil. Incorporation of humus matters such as barnyard manure, decayed compost, peat moss, etc., is beneficial. In addition, superphosphate at the rate of 5 lbs. per 100 square feet is broadcasted and spaded to a depth of 12 to 15 inches early in the spring.

STOPPING. The center of the main growth is nipped off when about 6 inches tall and second stopping is generally required around end of June if planted early. Four to six lateral growths are allowed to rise from the last pinching.

DISBUDDING. All sub-lateral branches are removed at regular intervals of about 10 days apart. Many exhibition varieties will produce "First Crown Buds" or "Leaf Buds," as commonly known, in July which are usually removed and next buds retained.

SELECTION OF BUDS. The first bud produced is called the "Crown bud" and is distinguished by being surrounded with leaves. The "Terminal bud" appears later in clusters surrounded with flower buds. The procedure of "taking buds" depends very largely on the variety and no fast rule can be given.

FERTILIZING. About 3 applications of commercial fertilizer, such as "Vigoro," at the rate of 3 to 5 lbs. per 100 square feet would be sufficient. No feeding is done after the buds begin to show color.

CARNATION CULTURE

Carnations bloom throughout the year—more profusely during the warmer months than during the winter. The plant will survive outdoor temperature as low as 18 to 20 degrees though the buds may be frozen. They like full sunlight and will tolerate a wide range of soil condition and acidity but they must have good drainage. Liberal amount of rotted manure is spaded into the soil together with a small amount of bone meal in setting out the plants.

The young plants should be spaced about 12 inches apart and should be watered thoroughly after planting. Very wet or very dry soil conditions are both detrimental although in winter they will stand being kept fairly dry.

Plants are first topped when they are three or four inches high in order to encourage young plants to become bushy around the base. Centers of new growths are further topped occasionally until a bushy plant is formed. Almost simultaneously with the last topping, the plants should be provided with some sort of support. When buds become sufficiently large, all side buds are removed thus leaving a single bud to a stem.

After the final topping, feeding is a year round procedure since Carnations are everblooming. A small amount of complete fertilizer is recommended for each plant about once a month.

Exotic Spiders and Threadlike Varieties

Varieties listed in this group, which are sometimes referred to as "Fuji" Mums, have quilled petals of varying sizes, some of which are long and cord-like, while a great majority have opening of spoon shape at the tip, either fishhooked or plain.

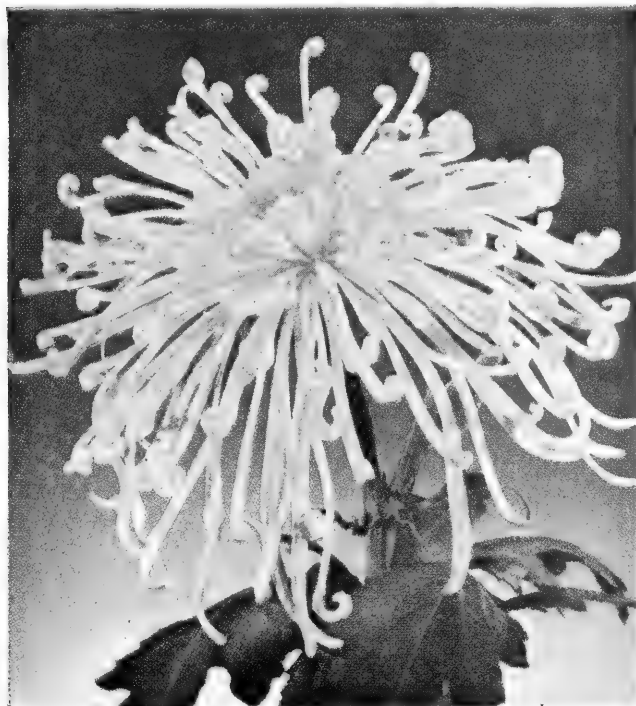

These petals either spring out horizontally or droop. Many of these flowers may be eccentric in form, but they are all very graceful. Descriptions were taken from flowers which were disbudded to one bloom per stem with four to six flowers to a plant.

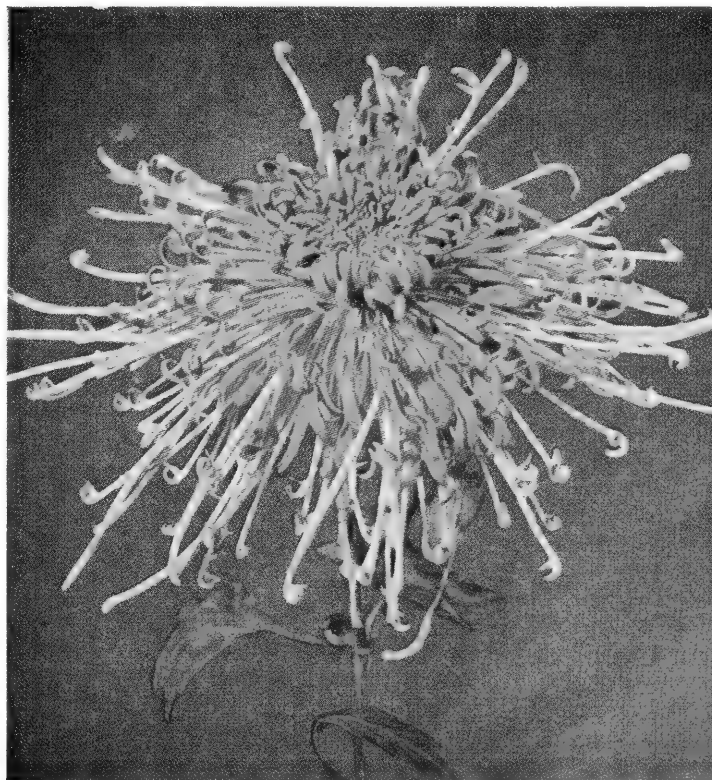

WAIKIKI (No. 441). Breath-taking blend of orange, bronze and yellow shades. Tall. November 1. Price: 30 cents each, 3 for 85 cents.

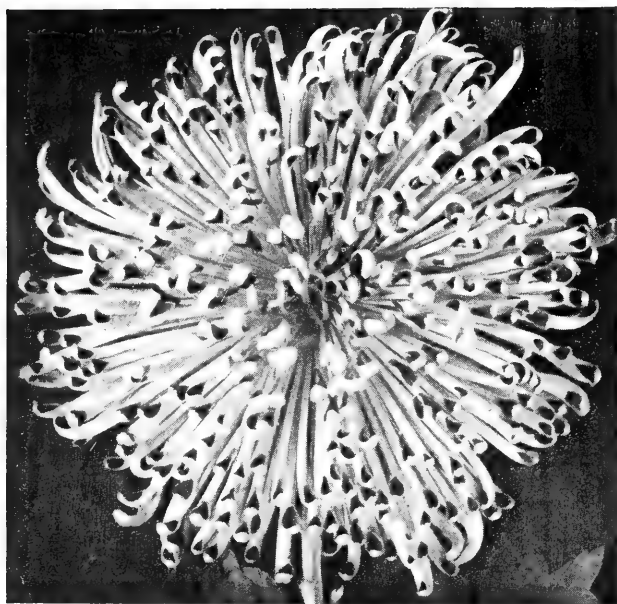

GEORGINA HEDINGER (No. 288). This extremely full-centered flower in pink ranks first among the early flowering spiders. Grows to medium height. Matures around October 5. Price 30 cents each, 3 for 85 cents.

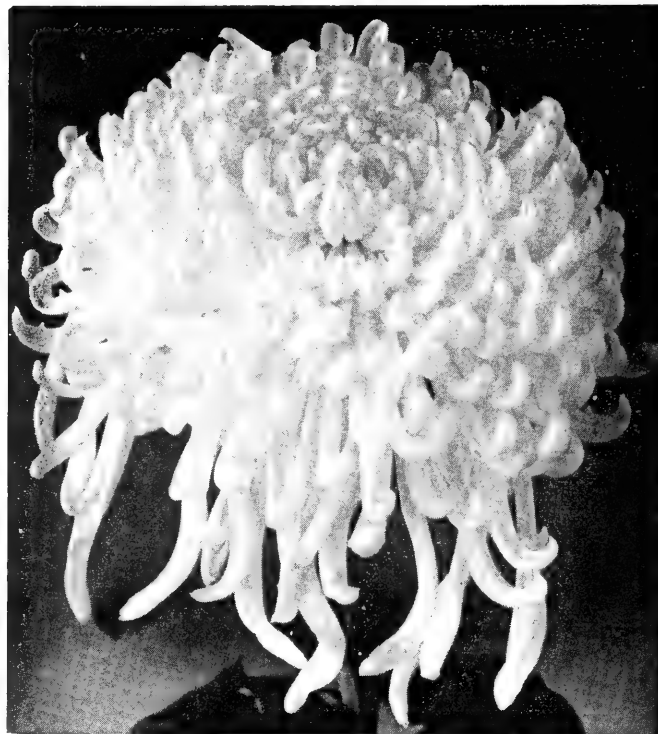

LIMELIGHT (No. 327). Spectacular lime yellow spider with a chartreuse overcast. (Green will disappear under intense sunlight). Sturdiest stems. Medium height. October 15-20. Price 75 cents each, 3 for \$2.00

AUTUMN PARADE (No. 228). Enchantingly graceful flower of deep rust color with spoon opening of deeper shade. October 15. Price: 30 cents each, 3 for 85 cents.

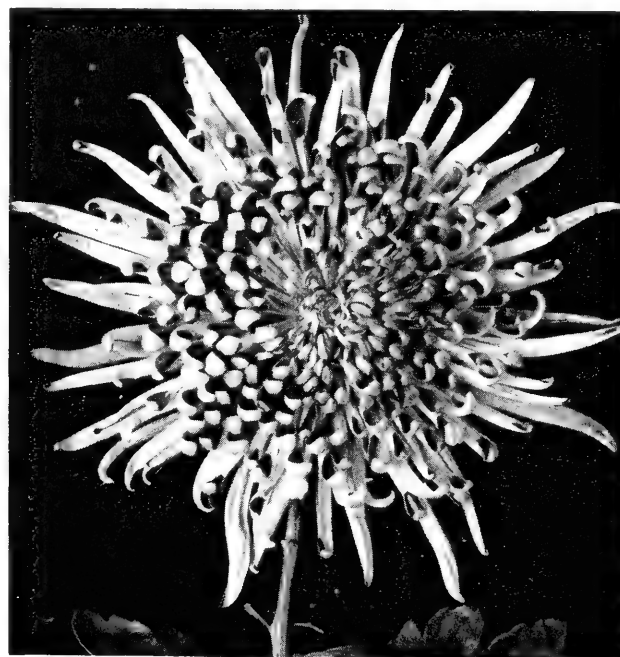

CATHAY (No. 249). The quilled petals of this charming flower are a most beautiful shade of old copper with spoon tips of brilliant red. November 1. Price: 30 cents each, 3 for 85 cents.

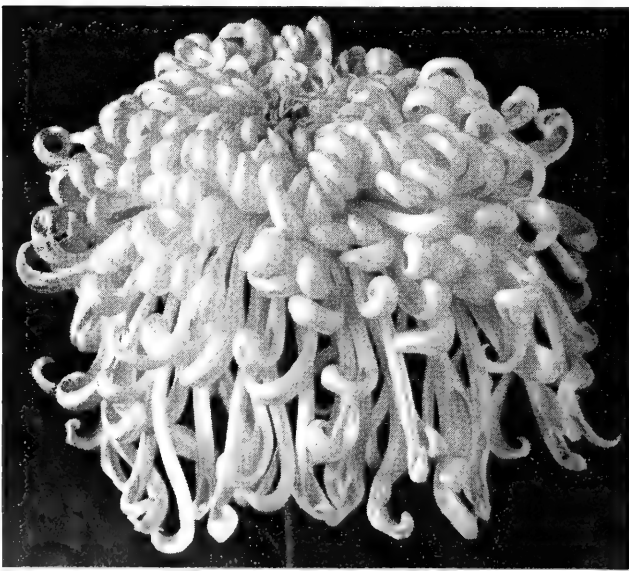

ANNE (No. 222). Truly magnificent purest white spider of the large tubular class. October 1-5. Price: 30 cents each, 3 for 85 cents

PINK EXQUISITE (No. 383). A suitable name for the flower which is the most exquisite shade of pink. The reflexed petals radiate from the center which is a unique swirl. November 1. Price: 30 cents each, 3 for 85 cents.

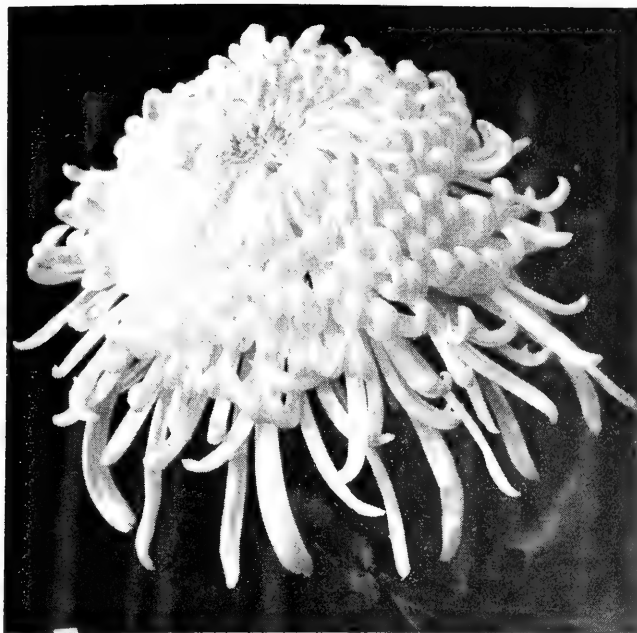

CANDY BRONZE (No. 246). Most entrancing double spoon flower reaching maturity about October 15. Bright golden bronze tubulated part plus the rich Indian red color at the spoon opening. Price: 30 cents each, 3 for 85 cents.

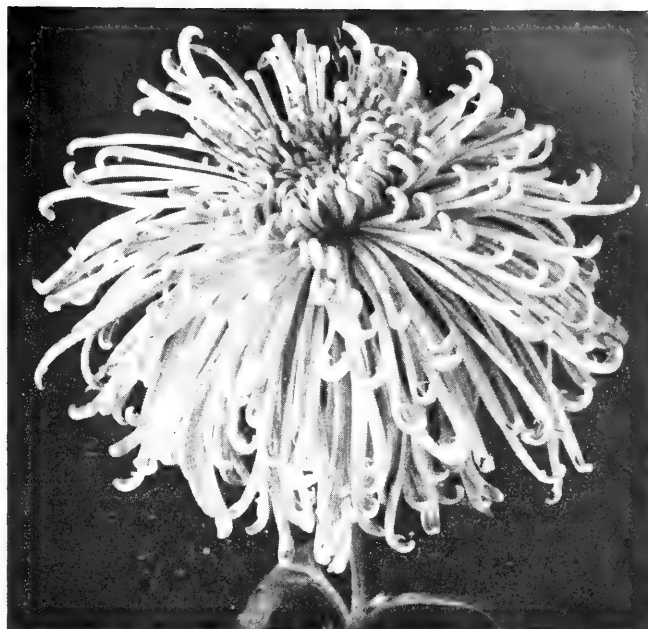

Please write the correct catalog number of each variety you are ordering.

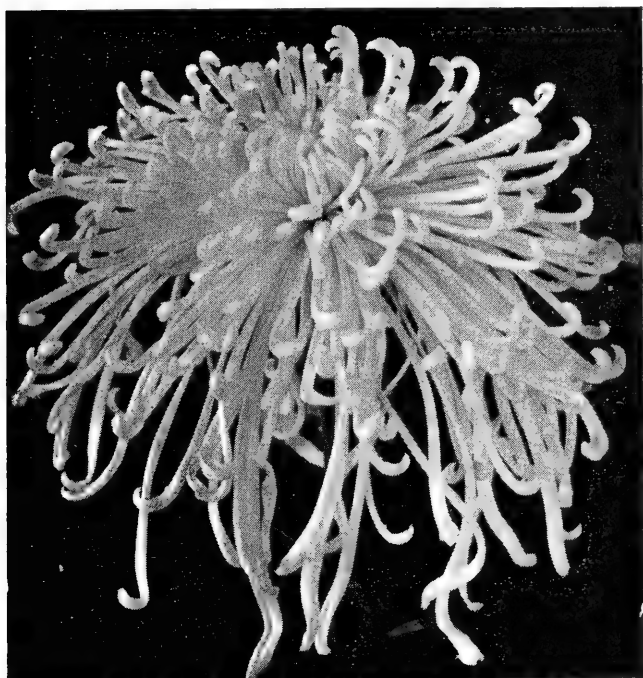

← **GOLDEN TORCH (No. 295).** Stately lemon yellow exhibition type developing into a tremendously large incurving flower from what it appears to be a spidery formation. A vigorously healthy grower. October 10. Price: 50 cents each, 3 for \$1.35.

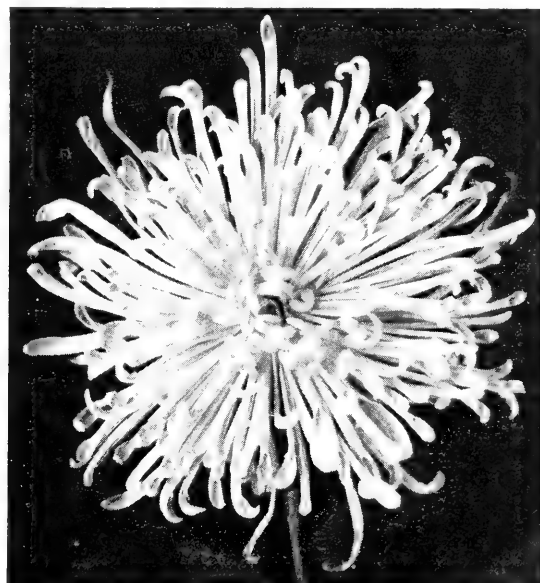

TOP FLIGHT (No. 428). Truly tops in the spidery class. Pure white broad tubular petals open into a huge spider with petals drooping gracefully from a central cluster. Tubes in center have hooks while the outer petals point straight out. October 20. Price: \$1.00 each, 3 for \$2.75.

DUCHESS (No. 267). Gorgeously beautiful orchid pink throughout. Magnificent flower with splendid foliage and stems. October 15. Price: 30 cents each, 3 for 85 cents.

LA BELLE (No. 321). Unique and exquisite is characteristic of well formed spiders. This very creditable variety represents an ideal formation in this class. Purest white. October 15. Price 50 cents each, 3 for \$1.35.

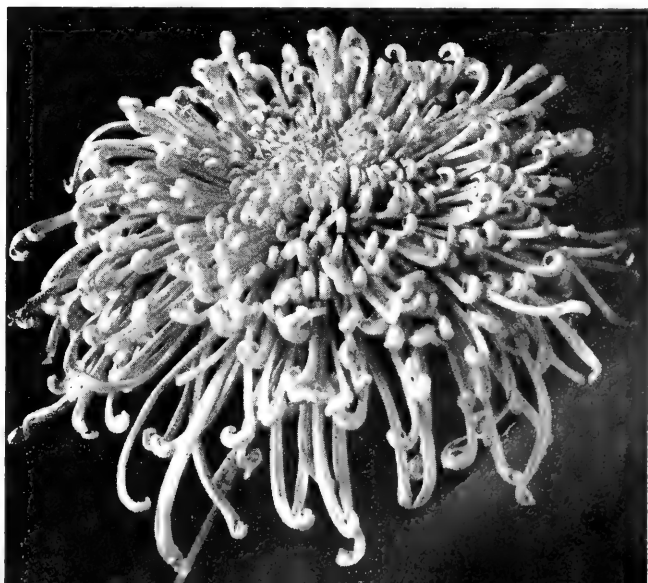

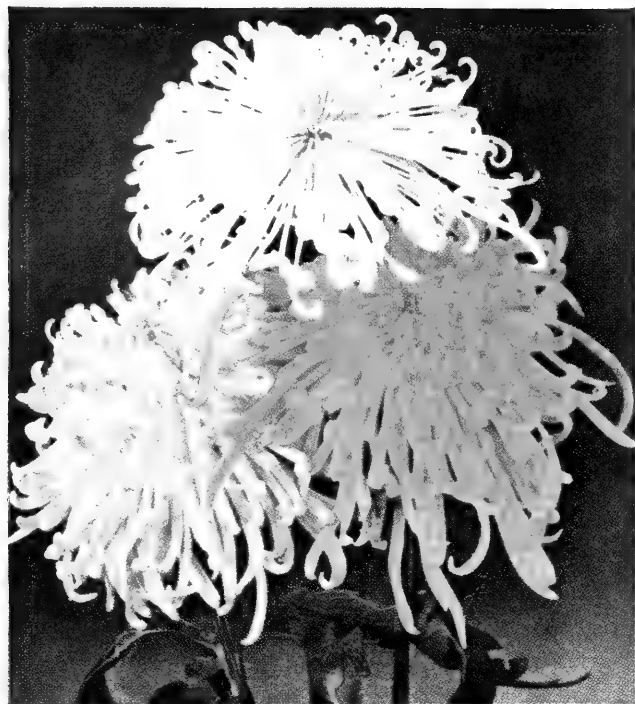

MAMORU (No. 332). Light bronze shading to a deeper bronze toward the center. Excellent cut flower, has good keeping quality with strong stem and lovely foliage. October 20. Price: 30 cents each, 3 for 85 cents.

BLANCHARD GARDENS

The business of Blanchard Gardens of San Dimas, California has been taken over by our firm. All customers of both firms will be given the same careful attention as heretofore.

RHYTHM (No. 391). Outstandingly beautiful buff colored bronze bordering to beige. October 30. Price: 50 cents each, 3 for \$1.35.

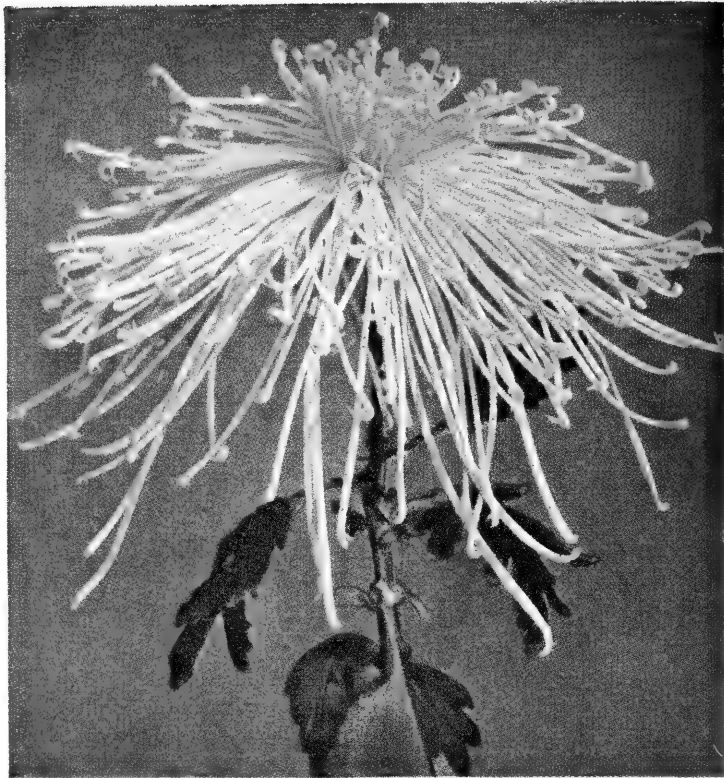

CAPRI (No. 248). Has that beautiful greenish overcast on white like its parent Emerald Isle while it is a sturdier grower. Ideal as cut flower as well as specimen. Height medium. October 15.

MAJESTY (No. 330). Rich golden yellow, gold petals. Medium to tall in height. October 15.

VESPER (No. 438). An unusually distinct and striking is this rosy pink bold tubular spider. Splendid growing habit. Medium to tall. October 15.

Price: 50 cents each, 3 for \$1.35 (one name)

CENTENNIAL (NO. 250). True spider in a stunningly beautiful golden bronze color. October 25. Price: 30 cents each, 3 for 85 cents.

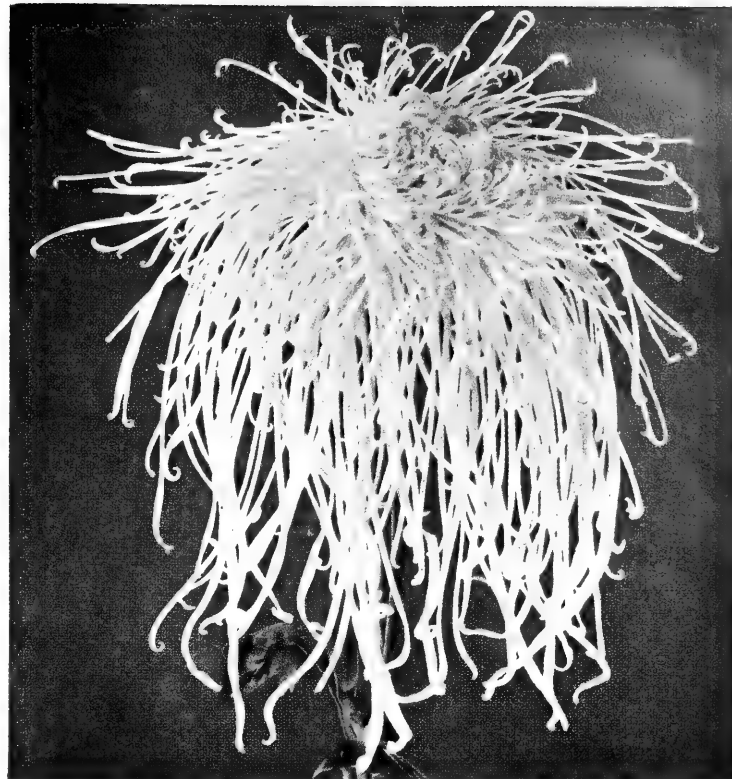

BLOOMING DATE: It is important to select your varieties by checking the blooming date.

ORIENTAL KNIGHT (No. 373). Perhaps this is the deepest garnet red bordering toward purple quilled type of flower known on the market today. November 5. Price: 30 cents, 3 for 85 cents.

CHERIE (No. 254). A most beautiful shade of soft orchid pink with slender petals hooked at the tip. October 30. Price: 30 cents each, 3 for 85 cents.

CAPISTRANO (No. 247). Color is a beautiful burgundy purple. The medium size tubular petals open at tips to a much deeper shade of purple. Its short growing habit makes an ideal potted plant.

GOLDEN THREAD (No. 294). (Top right). Long, fine tubular petals of rich yellow falling gracefully from a full center—indescribable grace and beauty. Medium height.

TITANIA (No. 427). Not easily describable shade of French greyish lavender color throughout. Distinctively unique at this is the only one of this color we displayed last fall. Medium.

Blooming date for above three October 14
Price: 50 cents each, 3 for \$1.35 (one variety)

EMERALD ISLE (No. 275). Predominant color of these slender cord-like petals is green with an undertone of creamy white. November 1. Price: 50 cents each, 3 for \$1.35.

MISS GINA HARDWOOD

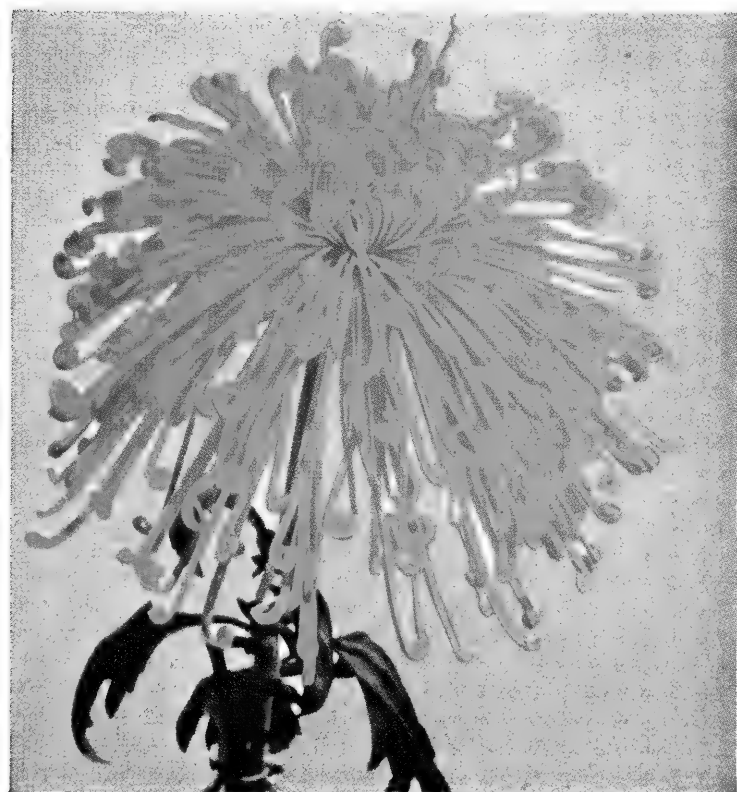

RAYONANTE (No. 389). The cordlike quilled petals of this full centered flower are a lovely shade of light rose. October 15.

MISS GINA HARDWOOD (No. 347). Sport of Rayonante. Beautiful blend of light rose and straw-bronze. October 15. (Illustrated above.)

WHITE RAYONANTE (No. 449). Pure white sport of "Rayonante." October 15.

YELLOW RAYONANTE (No. 460). Beautiful yellow sport of "Rayonante." October 15.

Price: 30 cents each, 3 of one name 85 cents

LORRAINE (No. 328). Undoubtedly the most satisfactory true spider in clearest yellow. November 1. Price: 30 cents each, 3 for 85 cents.

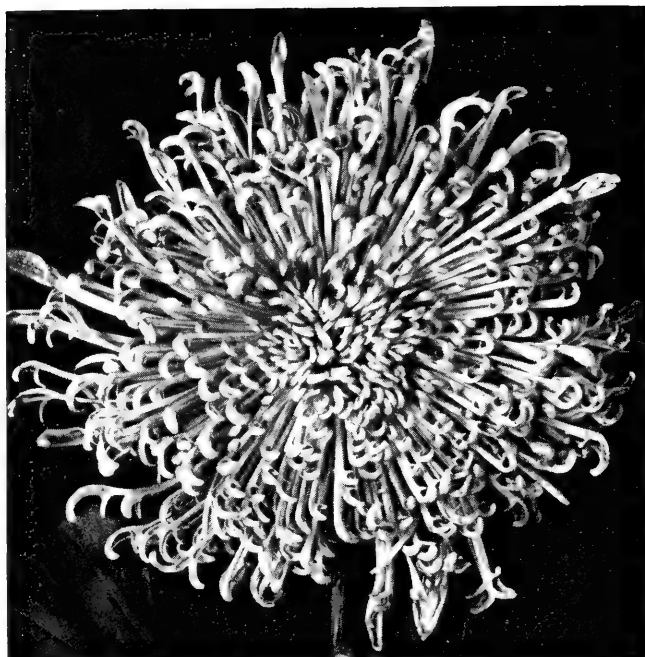

OLYMPIA (No. 370). (Top). An attractive spider with chartreuse petals massed in the center and white petals with chartreuse tips hanging gracefully. October 20-25.

NARA (No. 364). (Right). Beautiful full centered spider in variable shades of light bronze and golden yellow. October 15.

SPRING SONG (No. 416). (Left). A pink spider with petals drooping gracefully. October 20.

Price: 75 cents each, 3 for \$2.00 (one name).

ROSALIE (No. 393). Beautiful color combination of various shades of pink; Rose pink, pink and lavender. Remarkably full centered and large. November 1. Tall. Price: 50 cents each, 3 for \$1.35.

YOU ARE INVITED TO ATTEND OUR GIGANTIC ANNUAL CHRYSANTHEMUM SHOW
Held during October and November

Other Recommended Spider Varieties

AGNES (No. 216). A strikingly beautiful light orchid pink spider variety. Medium quilled petals widening at tops, curling ribbon-like and showing to good advantage the attenuated barbs of the fisherhook tops. November 10. Price: 30 cents, 3 for 85 cents.

ALBERT WITT (No. 218). A very clear yellow sport of "Bess Witt." Identical in all respects to its parent plant except color. October 10. Price: 30 cents each, 3 for 85 cents.

BALLET (No. 232). Indescribably graceful and exotic flower. Its thin petals are long and perfectly formed to the finest detail. A splendid grower. October 25. Price: 30 cents each, 3 for 85 cents.

BERTHA OLIVER (No. 236). The large quilled petals of this flower are deep orchid pink. The fishhook tips of each petal open widely, displaying a much deeper pink within. October 15. Price: 30 cents each, 3 for 85 cents.

BESS WITT (No. 238). A pleasing combination of apricot bronze and salmon pink. Quilled petals open at the tip in spoon shape, expanding outward instead of drooping. October 10. Price: 30 cents each, 3 for 85 cents.

CHOPSTICK (No. 255). The broad spoon tips of this full centered quilled type flower are rich henna-red and the tubulated portion is golden bronze. October 25. Price: 30 cents each, 3 for 85 cents.

FRONTIER (No. 284). Medium size tube old gold bronze spider which measures 8 to 9 inches across. Petals radiate straight out instead of drooping. Inside of the fishhook tip petals is red. Attracted much attention during the first part of our show around October 5. Price: 75 cents each, 3 for \$2.00.

JEAN SQUIRE (No. 309). Long tubulated spoon-tipped petals of this flower stretch out horizontally from a central yellow button. Lovely shade of rose pink throughout. Dark green foliage and exceptionally strong stem makes this a fine cut flower variety. November 1. Price: 30 cents each, 3 for 85 cents.

MARSHA (No. 336). Unrivalled in popularity. Purest white. Distinctive and graceful beyond words. November 1. Price 30 cents each, 3 for 85 cents.

MAUVE (No. 340). A unique wine red spidery flower with slender quilled petals cascading very beautifully from a very full center. October 15. Price: 30 cents each, 3 for 85 cents.

MELODY (No. 343). A graceful spidery variety in clear deep yellow. Has large tubular petals stretching out horizontally, giving a feature of greater size than those that droop. October 10. Price: 30 cents each, 3 for 85 cents.

NIGHTINGALE (No. 365). A very unique novelty type Chartreuse chrysanthemum first introduced by us in 1938. The chartreuse color cannot be maintained long if exposed to intense sunlight. The flower should be protected after the bud begins to show color. October 25. Price: 30 cents each, 3 for 85 cents.

PEGGY ANN HOOVER (No. 381). Light pink with straight medium tubulated petals. October 20. Price: 30 cents, 3 for 85 cents

PURPLE FROST (No. 386). A novelty flower of feathery type in purple tipped with silvery white along the edge of each petal. November 15. Price 35 cents each, 3 for \$1.00

QUEEN'S LACE (No. 388). The slender quilled petals hang gracefully on this fully double white spider. Tips are open and well curled. Exceptionally good grower. October 15. Price: 30 cents each, 3 for 85 cents.

SERENE (No. 405). An exquisite shade of coppery bronze quilled petals with an opening of stunning Indian red at the hooked tips. Excellent foliage and stem. October 25. See illustration of "Lavender Dream" for shape of flower. Price: 30 cents each, 3 for 85 cents.

SWINGTIME (No. 423). Peerless white among the exhibition spiders. Long bold petals droop gracefully on a most luxuriously formed plant we have experienced growing. (See illustration of Waltztime for flower type.) October 30. Price: 30 cents each, 3 for 85 cents.

YELLOW LACE (No. 457). Clear yellow sport of "Queen's Lace." Identical habit to its parent except in color. October 25. Price: 30 cents each, 3 for 85 cents.

Cascade Varieties

Cascade varieties are all of exceptional beauty and exquisite daintiness. While chosen primarily for the ease with which they may be trained to hang downward, they may be planted in the garden and topped a number of times to form a bushy plant.

CASCADING INSTRUCTIONS will accompany each order of Cascades.
